

# COVID-19

## UPDATE

The health and well-being of our customers and employees remain our top priority as the spread of the coronavirus continues to impact the way we live our lives and conduct the business of banking. Given recommendations from the CDC regarding preventive measures to reduce the spread of the disease, we are temporarily implementing exposure-reducing measures, effective March 19, 2020.

### What Does This Mean?

First of all, be assured that you will be able to communicate with bank staff as necessary and access your accounts through our online and mobile channels. In addition, all banking transactions will continue to flow as normal and your accounts will be available via your debit card at the point of sale.

- **Effective March 19, 2020 our bank lobbies at all locations will temporarily close until further notice in an effort to reduce the risk of virus transmission.**
- **All drive-thru locations will remain open with normal business hours being observed.**
- **To request an appointment for a loan, deposit, Trust Department or Investment Center services please call the phone number at the desired branch listed below or contact the bank representative via e-mail.**
- **To access your safety deposit box please call (402) 643-3636 for an appointment.**
- **All ATMS will remain open for your convenience to withdraw cash, transfer funds and check balances.**
- **All night depository boxes at all five locations will be available for check and cash deposits and will be checked frequently throughout the day.**
- **Remember, your accounts are available to you anytime, anywhere, 24 hours a day, 7 days a week, via your desktop or mobile device at [www.cattlebank.com](http://www.cattlebank.com). You can check balances, deposit checks, view and conduct transactions.**
