Cattle Bank & Trust recently worked with Dr. Josh Fields Superintendent of Seward Public Schools, Jessica Dominy, Principal at Seward Elementary School and Christy Schegg, member of the Seward Elementary School Parent Teacher Organization announcing a donation of \$25,000 by the bank towards the Seward Elementary School's New Playground Project.

The project, which is scheduled for installation in the summer of 2021, provides a number of new playground features at Seward Elementary School including a Mega Tower, Three Rope Bridge, Barrel Ride and Musical Concerto Area. Additionally, the new playground will provide features for greater accessibility and inclusiveness for children with special needs.

Ryne Seaman, President and CEO of Cattle Bank & Trust said, "As a community bank we are pleased to support the needs of our area and this project specifically will support not only the 550 students at SES, but will benefit the young people of our entire community and promote their physical well-being." The overall project is projected to cost approximately \$260,000 and is being funded through the budgetary process of Seward Public Schools, fundraising by the Parent Teacher Organization and a number of private donations.
